

GKMA 2020  
June 3, 2020 (Via Zoom)

Call to order:

Members Present via Zoom Video Conferencing: Dennis Rombough, Stuart Patton, Murray Dochstader, Linda Bailey, Randy Bailey, Quintin Raasch, Brian Holly, Alex Williamson, Barry Rokosh, Dan Mackenzie

The minutes for March will be posted on the GKMA website.

PRESIDENT'S REPORT: (Dennis Rombough)

Dennis welcomed us to our first Zoom GKMA meeting.

VICE PRESIDENT'S REPORT: (Alex Williamson)

Alex wanted to bring to attention land use during the current weather conditions such as the rain and flooding.

LAND-USE: (Quintin Raasch)

Quintin spoke about hosting at Duffy Lake Campground and making sure to be modeling appropriate protocols under the COVID-19 situation. Brian Holly spoke about some safety measures that the hosts may need to follow. Quintin and Brian spoke about payment options at the campground such as: cash, Visa, e-transfers, etc. Stuart suggested that Visa would be a hassle as they would all have to be processed after hosting. Dennis Rombough suggested that we keep the collecting status quo for now and collect cash using gloves and putting into a separate bag. It was decided that we would wait for a clear directive from Rec Sites and Trails BC before collecting any cash. The road at the other end of the campground will be deactivated due to erosion. Quintin has spoken to Noelle Kekula about doing some road upgrades within the campground. Inks Lake area needs updating in the staging area. The Lafarge area needs some damage control. Brian deactivated a hill due to erosion and the deactivation has held. There is logging to commence in the Chuwhels area. By next week the Chuwhels riding area should be totally clear. Noble Lake has had a lot of logging and deactivation.

X-COUNTRY:

FINANCE: (Stuart Patton)

Stuart emailed the GKMA Revenue/Expense reports for April and May.  
Stuart purchased a brand new Honda generator for the club for \$2000.  
Stuart had to pull the pin on the 2020 Loose Screw scheduled for August due to COVID-19 restrictions and the lack of time available to fully plan the event properly if the social distancing rules did relax by August.

MEMBERSHIPS: (Murray Dochstader)

Murray reported that we currently have 81 members.

COMMUNICATIONS: (Randy Bailey)

Randy commented about not knowing how to post the minutes with the new format on our GKMA Website. Stuart Paton suggested that we put it out there to members who may have the skill set to post on the web page. Quintin Raasch suggested that Ashley Rorison may have the skill set. Dennis will contact her to see if she may be interested.

DUFFY LAKE MANAGEMENT: (Brian Holly)

NEW BUSINESS:

The Door Prize of a
